Re: 2021 Allocation Approval

Dear Ms. Buchanan:

We have received your notification that Mount Desert will be extending currently active shellfish licenses through June 30, 2022. We also received your advertisement detailing the licenses available for sale and the process whereby those licenses may be purchased. We understand that you currently have 5 remaining commercial licenses and that these are available to residents and nonresidents alike at the original resident commercial fee of \$150.

The original license allocation was approved as follows:

<i>Class</i>	<i>Subclass</i>	<i>Amount</i>	<i>Cost</i>
Commercial	Resident	9	\$150.00
Commercial	Nonresident	1	\$300.00
Recreational	Resident	No Limit Set	\$30.00
Recreational	Nonresident	No Number Set*	\$50.00

**One to one (one non-resident for every resident license sold) up to 10 licenses; then one non-resident license for every 5 (five) resident licenses sold.*

Sincerely,

Denis-Marc Nault
Shellfish Program Supervisor
